OBJECTIVE

An ambitious, focused and committed master's degree holder with special interest in Business law. Capable of adapting to fast paced environments, meeting strict deadlines and completing casework in a highly efficient manner. I can work independently and as a team and contribute adequately to any legal team thanks to my strong research and communication capabilities alongside proficient client care skill. Currently seeking to be considered for the SNI "Young Professionals" training program to gain valuable exposure that will enhance my future career.

EXPERIENCE

Awah Tumah Simon
